Bulletin no. 4

CHMSU Hymn

Lyrics by Victoria L. Ojas
Adaptation by Engr. Michael Forton
Arrangement by Jimuel Dave Dagta

**A wisp from sky's resplendent wall
Breathes hope, brings light as it does fall
Steers on the anvil so the gear
To weave the song CHMSU dear.**

**CHMSU thou art hope and joy
Science, Technology ye do deploy
To youth with fervor burning still
Thou quench the thirst for knowledge and skills.**

**O hail! We pledge our loyalty
And all our toils for thy glory be
To the skies that lend the noble blue
CHMSU to thee we'll be true.**

**O nurturing home of loftier dream,
On thine beckoning height,
Life's quests do beam
Now songs of praise ring loudly through the sky,
To thee, the Great Power on High.**

Today My Life Begins

Song by Bruno Mars

[Verse 1]

I've been working hard so long
Seems like pain has been my only friend
My fragile heart's been done so wrong
I wondered if I'd ever heal again

[Pre-Chorus]

Oh, just like all the seasons never stay the same
All around me I can feel a change (oh)

[Chorus]

I will break these chains that bind me, happiness will find me
Leave the past behind me, today my life begins
A whole new world is waiting it's mine for the takin'
I know I can make it, today my life begins

[Verse 2]

Yesterday has come and gone
And I've learnt how to leave it where it is
And I see that I was wrong
For ever doubting I could win

Repeat Pre-chorus and Chorus

[Verse 3]

Life's too short to have regrets
So I'm learning now to leave it in the past and try to forget
Only have one life to live
So you better make the best of it

Repeat Chorus (x2)
