DID YOU KNOW?

For every blood donation, you can save up to 3-4 lives.

If every eligible blood donor Filipino donates their blood, there won't ever be a shortage of blood supply in the country.

A single whole blood donation can provide red cells, platelets, and plasma for surgical patients, those with health deficiencies, as well as accidents or disaster victims — **thousand of lives can be saved!**

Join the #JuanForThree movement. Let's ensure #SafeBloodForAll.

SAFE BLOOD FOR ALL
