

International Opportunities

AY 2024 - 2025
for Faculty and
Students
Issue #1

Erasmus+ World Wide Webinar 2024

This webinar is a unique opportunity for potential Erasmus+ participants from non-EU countries to understand how they can benefit from exchange and cooperation with their peers in EU countries and associated Erasmus+ countries.

Explanations about the international dimension of the academic exchange of students and staff, cooperation projects for higher education and training, virtual exchange, and mobility for researchers will be covered.

 **Schedule of Webinar:**
October 22-24, 2024.
